The Windsor-Essex Regional Chamber of Commerce has won the 2013 Ontario Chamber of Commerce Chair's Award.

The chamber was recognized for the development last year of the Gold Circle program. The annual award recognizes excellence in operations, member services and community leadership.

“The Windsor-Essex Regional Chamber of Commerce created the Gold Circle program in 2012 as a leadership group of senior chamber members focused on regional growth, development, advocacy and collaboration,” said Ed Miles, chair of the local chamber.

“We are very proud in winning this award and thank our Gold Circle members for their outstanding participation,” said Matt Marchand, president and CEO of the Windsor-Essex Regional Chamber of Commerce. “We created the Gold Circle program to provide added level of value to our existing chamber membership. In turn, our members recognized the value of that leadership. This award is for our extraordinary effort to provide this level of membership. For the chamber it adds value to the brand and it elevates our visibility.”
