

# **Windsor-Essex Chamber supports presidential permit app**

Monday, September 10, 2012 10:19:38 EDT AM

The Windsor-Essex Regional Chamber of Commerce released a letter of support for a presidential permit by the New International Trade Crossing.

The permit was applied for June 18. The presidential permit is required in order for NITC bridge to proceed.

“The Chamber has been in support of a new border crossing for years and believes this step forward will ensure future economic development and a positive climate for business attraction on both sides of the border,” said Matt Marchand, president and CEO of the Chamber.
