WindsorEssex Community Foundation Launches 2015 Vital Signs Survey

The WindsorEssex Community Foundation launched the 2015 Vital Signs Survey and are

asking you to take the survey and let your voice be heard.

The purpose of the Vital Signs® Survey is to collect data of Windsor-Essex residents' views of local issues affecting their community. The results from this survey are combined with local and national data to provide residents with an all-encompassing "community check-up" on important issue areas affecting their community. The results from this survey will be used to construct the Vital Signs® Report, which will be released on October 6, 2015, highlighting local trends, with the intent to engage our community in the on-going dialogue about who we are, what we do, why we do it, and where it can lead. The Vital Signs® Report is the voice of the Windsor-Essex Community.

For completing the 2015 Vital Signs® Survey, you will have a chance to win a cash prize of 100 dollars. In order to be entered for a chance to win, you must first complete the survey, and then at the end of the survey you will be asked to provide your first name, e-mail address, and phone number.
