Small Business: Too Big to Ignore

The Windsor-Essex Regional Chamber of Commerce (WERCC), in partnership with the Ontario Chamber of Commerce (OCC) and the Ontario Chamber Network is

proud to be a part of the ambitious campaign, Small Business: Too Big To Ignore.

This campaign highlights the important contributions of small businesses to our economy and communities, and seeks to actively engage small businesses across the province in investigating the top barriers to small business growth - and identify solutions to overcome those challenges. To kick off this campaign the OCC has released the report, Top 3 Obstacles to Small Business Success.
