JOHNSON 

Small Businesses: The Backbone of Our Economy

The exceptional contribution of small businesses to our economy is given too little weight. However, Small Business Week is specially designed to showcase them. Yellow Pages is a proud supporter of this initiative. For more than a century, it has been supporting Canadian local businesses. In 2013, Yellow Pages launched Shop The Neighbourhood to showcase local small businesses. Yellow Pages is also grateful for the support of the Ontario Chamber of Commerce in this event-driven campaign, as they share the same mission.
