#### About Us

Leading the business community for creating regional economic prosperity, the Windsor-Essex Regional Chamber of Commerce has a rich history in the development of our region. Hundreds of volunteers from the business and professional community are strategically placed in chamber roles each year to support our advocacy efforts and to keep the region moving forward. Investing in your regional chamber not only helps our economy move in the right direction but allows your business to contribute with the least direct cost to your company. We are affiliated with two powerful advocates on a national and provincial basis the Canadian Chamber of Commerce and the Ontario Chamber of Commerce to make sure our local concerns are being addressed at all levels of government. Offering our members over 30 programs and services, we are truly your one stop shop for membership.
